**MEMORANDUM FOR: Director of Personnel**

**SUBJECT : Request to Remain with the Agency Following  
Marriage to a Foreign National -**

[Redacted]

The Deputy Director for Support does not concur in the recommendation of the Director of Logistics. Consistent with the Agency policy, we believe that retention after marriage to a foreign national should be approved only when clearly justified in the Agency interest. While Miss [Redacted] may be described as "a dependable, conscientious individual with a desire to do a good job", there is nothing about her qualifications which make her unique or difficult to replace.
